

## Reward Scheme

Ascension's bespoke reward scheme is our unique way of celebrating the amazing successes that our young people achieve during our Ascension Youth sessions.

Children will be given their own "Ethos chart" to track their Ascension Youth journey.  
In each session we focus on;

### Creativity

Their ability to be a movement scientist, to explore new ideas and express themselves through dance.

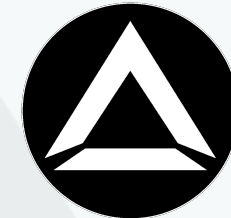

### Support

Lifting each other up and helping their peers and teachers during the sessions.

### Focus

Commitment, resilience and drive.  
Sticking to a task and trying their best.

For every time a child is spotted achieving one of the above tasks, we will celebrate this success by giving them a sticker for their chart.

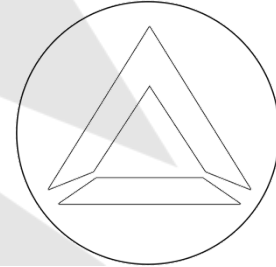

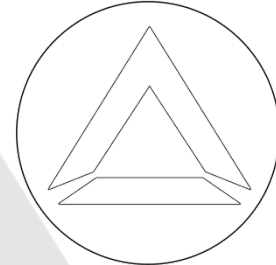

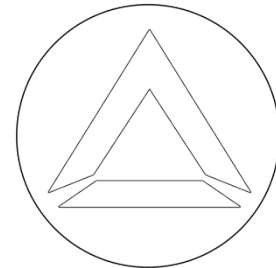

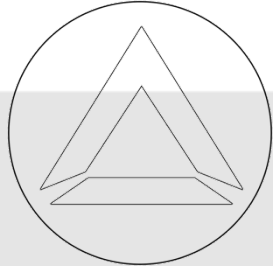

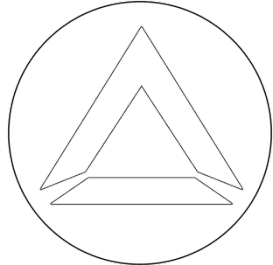

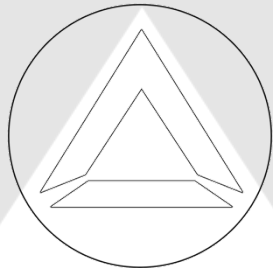

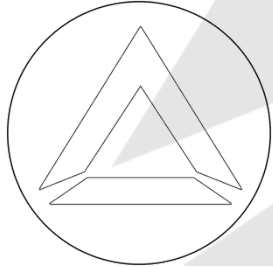

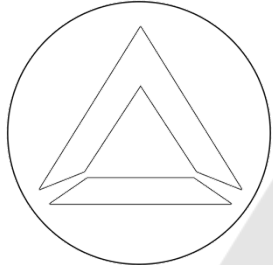

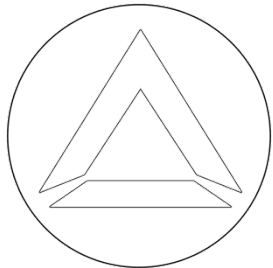

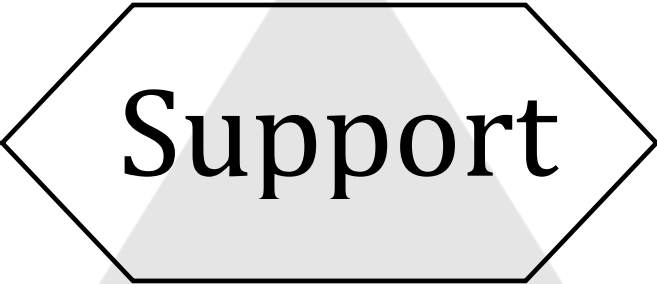

If they manage to get 3 stickers on one of the above enthuses, they will be considered an ethos champion (Creativity Champion, Support Champion, Focus Champion) and will be awarded a physical patch that they can iron onto an Ascension Youth T-Shirt.

If they achieve all 9 stickers, they will get a certificate with their name on celebrating their amazing achievement of completing the whole chart.

Available for APEX and RISE only
