

Messages of **positivity** & **empowerment** from us to you...

- *Things do get better.*
- *Be who you are. You don't have to be like everyone else because you are unique in your own body.*
- *Hard roads lead to beautiful destinations.*
- *You glow differently when you are truly happy for yourself and not for someone else.*
- *Be a voice and not an echo.*
- *Be pretty. Pretty kind, pretty strong, pretty intelligent, pretty powerful, pretty brave.*
- *Keep shining, the world needs your light.*
- *When women and girls support each other, incredible things happen.*
- *You were made to SOAR.*
